

The Descendants of the Belfast Line

Generation No. 1

1. Scotch-Irish¹ Herriott Progenitor

Children of ? Herriott are:

- + 2 i. James (John?)² Herriott, died Unknown.
- + 3 ii. William Herriott, died Unknown.

It is likely that David Herriott, who landed in the colony of East Jersey in 1685, had brothers who remained in Scotland when he departed for America. There also was a large exodus of Scots to Ireland, as well as to America, for many years after the 1685 date of David's migration.

Many of those who went to Ireland later migrated to America rather than returning to their native Scotland

The Herriott's listed here believe their ancestors lived at Glasgow, Scotland before migrating to Ireland. It is possible that a brother or nephew of David might well have removed to Glasgow and then to Ireland.
